</body>
</html>
```

Capturi ecran:

The screenshot shows a web form with a black header bar containing the text "Restricted Access" in white. Below the header, on a light gray background, is the instruction "Please enter your username and password" in bold black text. Underneath this instruction are two input fields: the first is labeled "Username" and the second is labeled "Password". Both labels are positioned to the left of their respective input boxes. At the bottom center of the form is a button labeled "Enter".
